Falling short: Despite half-centuries from Ishan Kishan and Tilak Varma (in pic), Shreyas Iyer's error-strewn side never looked capable of salvaging a consolation win, with a sloppy display in the field handing England the No. 1 T20I ranking. AP

Stamping authority: England piled up its third-highest T20I total, and a record against India, en route to sealing a commanding 4-0 series sweep as the world champion could muster only 201/8. This is the first time India has gone winless in a five-match T20 series and extends its own unwanted record to six straight defeats in completed 20-over matches. AP
