

# India reaches a milestone in Test cricket

**600** } The no. of Tests

India had played since its first at Lord's on 25 June 1932. The Galle match thus provided the third instance of a side appearing in 600 or more Tests in cricket history. With its emphatic victory in Galle, India has won its 300th, 400th, 500th and 600th Test matches. The second table has full details.
