THE PROTEIN OF CHAMPIONS

AMUL PROTEIN PROUDLY CELEBRATES TEAM SPAIN'S VICTORY IN THE FINAL.

Their strikes were unstoppable. Their tackles were perfectly timed. Their sprints, lightning fast. These were the moments of extraordinary performance, powered by talent, dedication and the right nutrition, that helped Spain become world champions. And at the heart of that nutrition is protein.

Protein helps build and repair muscles while supporting strength, endurance and recovery, making it an essential part of performing at your best. Whether you're on the pitch or in the stands cheering for La Roja, you should consume **1 g of protein per kg of body weight every day.**
