ADITI ASHOK

Aditi Ashok will be among India's strongest gold-medal contenders in golf. The 28-year-old Olympian, currently India's highest-ranked women's golfer at No. 131 in the world, will bring considerable LPGA Tour experience to the competition.

A five-time winner on the Ladies European Tour (LET), Aditi also has Asian Games experience, having won the individual silver medal at Hangzhou in 2023.

Incidentally, that remains India's only women's Asiad golf medal to date. That experience, coupled with

her exposure to the world's best golfers, makes her a strong contender for gold in Aichi-Nagoya.

She will also team up with Diksha Dagar and Pranavi Urs in the women's team event, giving India another chance to challenge for a medal.

The golf competition will be held at the Kasugai Country Club East Course from September 30 to October 3, with Aditi aiming to go one better and win India's first women's golf gold at the Asian Games.
