**One for the history books:** Ni Made Putri Suwandewi's (centre) inswinger forced a false shot from Bangladesh's Juairiya Ferdous and gave Indonesia its first wicket in Women's Asia Cups. A spirited bowling performance helped the tournament debutant restrict its opponent to 129 for eight, though the batters couldn't step up to the task. Bangladesh won by 71 runs. ACC

**Running riot:** Five runs conceded, seven wickets picked. Sri Lanka's Chamari Athapaththu recorded the best bowling figures among players from full member nations in the match against Indonesia. Still, the skipper shared her Player of the Match award with Nilakshika Silva, who scored a crucial half-century to arrest a batting collapse. Sri Lanka won by 75 runs. X@ACCMEDIA1
