Batting for success: Sri Lanka, led by skipper Dhananjaya de Silva, bats deep and would look to stand firm against the Indian bowling attack. **Below:** Ravindra Jadeja is among the few from India's squad in the 2017 tour.

teardrop island's players combine well and often punch above their weight. Kapil Dev's strong unit learnt it the hard way during the 1985 tour, and in many subsequent tours, Sri Lanka has proved to be a formidable unit in its backyard.

That halo may be on the wane but, for an Indian unit searching for consistency in Tests under coach Gautam Gambhir, the leap across the Indian Ocean may not be easy.

India and Sri Lanka are placed fifth and sixth in the ICC Test Championship rankings, an obvious dip for both sides in an era increasingly dominated by the glitz and thrills of limited-overs cricket.

Over the last five years, Pakistan and Australia have shown that Sri Lanka can be humbled at home. However, with Gary Kirsten turning up as coach, Sri Lanka has a mentor well aware of
