

Khalin Joshi wins J & K Open golf title

Khalin Joshi carded a five-under 66 to complete a commanding nine-shot victory at the J&K Open, held at the Royal Springs Golf Course in Srinagar. The 33-year-old finished with a tournament total of 24-under 260 (63-66-65-66) to claim his eighth professional title and second victory of the 2026 DP World PGTI season.

Two-time Asian Tour winner Rashid Khan (68-68-64-69) finished runner-up at 15-under 269. Shubham Jaglan (70-68-66-66) produced his best result of the season by finishing third at 14-under 270, followed by Ajeetesh Sandhu at 12-under 272 (65-72-65-70). DP World PGTI Order of Merit leader Saptak Talwar (69-71-65-70), Asian Tour winner Rahil Gangjee (73-67-66-69) and Chandigarh's Angad Cheema (68-68-68-71) shared fifth place at nine-under 275.

"I was definitely nervous at the start, especially after missing the first fairway," said Joshi. "I began to feel more comfortable by the third hole, and the birdies on the third and fourth put me at ease. My game plan was to keep hitting fairways because I knew that would give me enough birdie opportunities. The key was to stay in the present," he concluded.

Indian javelin thrower Neeraj Chopra announced that he has become the co-owner of the UBS Athletics Kids Cup, having already served as the programme's Ambassador for the past two seasons.

The UBS Athletics Kids Cup is one of India's largest grassroots initiatives, designed to introduce children to sports through fun, inclusive and accessible competition.

It has engaged more than 250,000 children across 2,500+ schools in five cities.

Neeraj Chopra said, "Over the last two seasons, I have seen the impact that UBS Athletics Kids Cup has created for children across schools. Every child deserves an opportunity to discover and showcase their talent, and becoming Co-owner felt like the natural next step because I truly believe in the vision we're building together."

"Our ambition is to reach one million children and inspire many more youngsters to embrace sport. I look forward to sharing my own experiences with the kids, teachers and schools, because the more children play, the greater the chance of creating future champions," he added.
