Jacob Duffy's PowerPlay wickets in international cricket since 2025

New Zealand seamer Jacob Duffy has taken the most PowerPlay wickets in international cricket among players from Full Member nations since 2025.

RCB has signed him as cover for Josh Hazlewood, who is recovering from injury and may miss the early part of the season. Duffy brings experience, having played 168 matches and taken 189 wickets, including 62 at international level. His overall economy rate stands at 8.5, while in the PowerPlay he concedes 7.91 runs per over.
