OPENING FIREPOWER

12.56

Highest partnership run rate in T20 cricket (min. 500 runs)

In Travis Head and Abhishek Sharma, SRH possesses one of the most explosive opening pairs in T20 cricket. The duo's partnership run rate of 12.56 is the highest recorded for any pair with a substantial sample size.

While both left-handers have hit a slight dip in form recently, their ability to dominate the PowerPlay remains central to SRH's batting approach in high-scoring conditions.

SPIN STRUGGLES

15

Fewest wickets by spinners in IPL 2025

Sunrisers Hyderabad's biggest weakness last season was its spin bowling. The side picked up just 15 wickets through spin, comfortably the lowest among all teams, with the next-best sides managing 27 each.

SRH's spinners were also the most expensive in the league, conceding 9.80 runs per over. The addition of Liam Livingstone could help address this imbalance, offering both wicket-taking ability and control in the middle overs.

« A big group of bowlers was one of our targets in the auction – to increase our bowling depth and have a pool of players competing for a place in the final XI. – Daniel Vettori, SRH head coach »

SQUAD

Wicketkeepers

Ishan Kishan, Heinrich Klaasen, Salil Arora

Batters

Aniket Verma, R. Smaran

All-rounders

Travis Head, Abhishek Sharma, Nitish Kumar Reddy, Kamindu Mendis, Liam Livingstone, David Payne, Harsh Dubey

Bowlers

Pat Cummins, Harshal Patel, Brydon Carse, Jaydev Unadkat, Eshan Malinga, Shivam Mavi, Sakib Hussain, Onkar Tarmale, Praful Hinge, Zeeshan Ansari, Shivang Kumar, Krains Fuletra, Amit Kumar

PLAYER TO WATCH

Ishan Kishan's ability to sustain momentum after the PowerPlay complements the aggressive starts provided by Head and Abhishek.
