SPIN SMASHERS

159.33

Best strike rate against spin in IPL last season

While the bowling faltered, LSG's batting unit excelled against spin. The side recorded the highest strike rate against spin (159.33) in the league, narrowly ahead of Sunrisers Hyderabad.

Nicholas Pooran was particularly destructive, scoring 224 runs in 10 innings against spin at a staggering strike rate of 263.52 and an average of 74.66. Aiden Markram and Mitchell Marsh also thrived against the tweakers, striking at 151.45 and 150.35 respectively.
