# India A defends ACC Women's Asia Cup Rising Stars title

1

India A had also **outclassed** Bangladesh A in the inaugural final in 2023.

Tejal Hasabnis struck a composed 51 not out off 34 balls on a sluggish surface as India A defended its ACC Women's Asia Cup Rising Stars title with a commanding 46-run win over Bangladesh A.

Rescued from 44 for four, Hasabnis and captain Radha Yadav added 89 for the fifth wicket to lift India to 134 for seven, with Radha contributing 36 off 30. Bangladesh never threatened in reply and was bowled out for 88 in

19.1 overs, as leg-spinner Prema Rawat returned 3 for 12, using flight and turn to dismantle the chase.

It was a familiar script, too, as India A had also outclassed Bangladesh A in the inaugural final in 2023.
