

THE SPACE BETWEEN

He has been resilient enough to survive the grind of domestic cricket and has shown flashes of promise in the glamorous world of IPL. And yet, somehow, he has always been one step away from the India cap. This is the story of **Vyshak Vijaykumar** who is on a journey to find himself.

The Indian cricket fraternity has always had an indelible memory for its stars and almost none for its nearly-men. For every name that became folklore, there were dozens who hovered just beneath.

Vyshak Vijaykumar, as of writing, belongs to that uncomfortable space. But maybe not for long.

He has been resilient enough to survive the grind of domestic cricket. He has shown flashes of promise in the glamorous world of the Indian Premier League (IPL). And yet, somehow, he has always been one step away from that India cap.

The barrier almost gave way on October 25, 2024, as Vyshak, then part of the Board of Control for Cricket in India's (BCCI) targeted fast-bowling pool, received a maiden Twenty20
