

Captain's knock by Kishan

80 } Ishan Kishan's score for SRH against RCB in Bengaluru on 28 March 2026 is now the fourth-highest by any batter in an IPL season opener. Nearly 18 years earlier, also in Bengaluru, Brendon McCullum delivered his historic innings in the inaugural IPL match on 18 April 2008, a performance that remains a standout. Kishan's **(right)** knock is also among the list of captains who have had the unique distinction of registering a high score in the first IPL match as a captain. Sanju Samson is the only IPL skipper to manage a three-figure score on his very first appearance as a captain in this tournament. Both tables below have the details.
