72 } The runs scored by Australian Connor Connolly on his first IPL appearance, while playing for Punjab Kings against Gujarat Titans in Mullanpur on 31 March 2026. His score is now the fifth-highest by any debutant batter in IPL. Only two players have managed a three-figure score on their IPL debut — Brendon McCullum (158*) and Michael Hussey (116) for KKR and CSK, respectively. Both these feats came in the first two IPL games of the inaugural edition in 2008. Five of the seven highest debut scores have come in 2008, as can be seen in the table below.

10 } The number of occasions an individual fifty was achieved in 15 or fewer balls in IPL cricket history. This season, 15-year-old batter Vaibhav Suryavanshi joined this elite list during his fifty in just 15 balls for RR against CSK in Guwahati on 30 March 2026. His opening team-mate, Yashasvi Jaiswal, has done it the quickest — in 13 balls against KKR in Kolkata in 2023. Australian Jake Fraser-McGurk’s case is unique, as he is the only one in the list below to have done so twice.
