Fitzpatrick claims Indian Open title

Alex Fitzpatrick claimed his maiden DP World Tour title with a nine-under 279, becoming only the third Englishman to win the Hero Indian Open and the first since Matt Wallace in 2018.

Starting the final round four shots behind defending champion Eugenio Chacarra, Fitzpatrick surged into contention with eight birdies, five of them coming on the back nine, to seal a two-shot victory.

Chacarra, who held the overnight lead, stayed in front for much of the day, but the course's long-standing jinx of denying successful title defences resurfaced at a crucial moment.

The tide finally turned on the 15th when Chacarra bogeyed the first of his three consecutive holes, Fitzpatrick birdied the same and the leaderboard flipped at the top. Once there, Fitzpatrick did not relent, firming his hold to open up a four-stroke lead that even a double bogey on the 18th could not bridge.

Chacarra finished with his worst round of the week, scoring a 75 for a seven-under 281 at second spot while the third member of the group, South Africa's MJ Daffue, finished tied 3rd at 283.

2 UP Prometheans has replaced Stanley's Chennai Lions and joined the lineup for Season 7 of Ultimate Table Tennis (UTT), the league announced. UP Prometheans is owned by entrepreneur and BITS Pilani alumnus Mukesh Sharma. The update regarding the inclusion of the Uttar Pradesh franchise comes less than a week after UTT released a statement saying that Jaipur Patriots, last season's runner-up, would no longer be a part of the league due to repeated non-compliance with the terms of the executed franchise agreement and persistent payment defaults.
