

Yuvraj Samra, teenage sensation

19} Yuvraj Singh Samra's age when he became the first teenager to register a three-figure score in T20 World Cup history. The Canadian opener bettered the previous record held by former Pakistani opener Ahmed Shehzad, who was three years older at 22 years, when he scored his maiden T20WC century in Mirpur in the 2014 edition. Samra is also the youngest player to score a century in any World Cup format.

0} The number of three-figure scores by captains in the T20WC before England's Harry Brook made a 100 against Pakistan in Pallekele on 24 February 2026. This milestone occurred in the 361st T20WC match, 18 years, 5 months, and 14 days after the inaugural game on 11 September 2007. West Indies' Chris Gayle previously held the record for the highest score by a captain, with 98 in 2010 and 88 in 2009, holding it for over 16 years until Brook surpassed it. Meanwhile, Brook also became the first English captain to register a T20I century. The previous highest was Eoin Morgan's 91 against New Zealand in Napier on 8 November 2019. Brook's century was the first to be conceded by Pakistan in a T20WC. The previous highest was Bangladeshi Shakib-Al-Hasan's 84, which also came at the same venue (Pallekele) 13 years ago on 25 September 2012! (This also means, West Indies is now the only side, among major teams, not to concede a three-figure score in the T20WC).
