Silver lining: Dasun Shanaka's valiant 76 not out off 31 balls, featuring a four and three sixes in the final over with 28 needed, wasn't enough to change Sri Lanka's fate in Pallekele. Pakistan won by five runs, but Sri Lanka crossed the 147-run mark in 15.5 overs, ensuring New Zealand edged ahead on net run-rate to reach the knockout stage. AP

Redemption: A swashbuckling 97 not out off 50 balls from Sanju Samson powered India past West Indies' 195 for 4 in Kolkata with four balls to spare, setting up a T20 World Cup semifinal clash with England. In the process, Samson eclipsed Virat Kohli's record for the highest score by an Indian in a World Cup chase.
