

5} The number of Indian batters who reached their 50th run in fewer than 14 balls in T20 cricket. CSK's Urvil Patel, against LSG in Chennai during his explosive knock of 65 (in 23 balls), reached his fifty in just 13 balls. He now joins four other Indians to achieve this record in T20 cricket. Patel, meanwhile, emulates Yashasvi Jaiswal to become the second batter to reach an individual fifty in 13 balls — the quickest in the IPL.

Quickest to reach a T20 fifty score (from India)

In all the above instances, the batter's team won the game

6} The number of batters who have made 14000-plus runs in T20 cricket. Virat Kohli became the latest entry into this elite group of players during his unbeaten 105 against KKR in Raipur on 13 May 2026. In doing so, he also became the quickest to reach this milestone in fewest number of innings. Kohli, meanwhile, also became the fourth batter in T20 cricket to register 10 or more three-figure scores. He now joins Chris Gayle, Babar Azam and David Warner with 10 or more centuries in T20 cricket, as shown in the second / third tables below.
