

Ahmedabad to host FIBA U-18 Asia Cup

The FIBA Asia Cup 2026 will be held in Ahmedabad from August 13 to 23, the FIBA Regional Office-Asia announced. It will be only the third time India hosts the biennial continental youth tournament. The top four teams from the competition will qualify for the FIBA Under-19 Basketball World Cup, scheduled to be held in Pardubice, Czechia, from June 26 to July 4, 2027.

Australia will enter the tournament as defending champion after clinching the title in Amman, Jordan, in 2024. It will be joined by fellow finalist New Zealand and 13 other teams that will emerge through qualification events across FIBA Asia's sub-zones.

The 16 participating teams will be divided into four groups of four for the round-robin group stage. The top three teams from each group will advance to the knockout stage. The allocation of qualifying spots for each sub-zone will be determined through a combination of fixed berths and the performance of teams from that sub-zone in the 2024 edition.

India last hosted the tournament, then known as the FIBA Asia U-18 Championship, in Bengaluru in 2004. Iran won all eight of its matches that year and defeated Korea in the final to secure its first continental title across any category.
