

2} Number of instances where a batter's 150-plus score came in a losing cause in T20 cricket. K. L. Rahul's unbeaten 152 came in a lost cause, when the opponent, Punjab Kings, successfully chased a record target of 265 in Delhi on 25 April 2026. Chris Gayle's unbeaten 151 for Somerset in 2015 in the T20 Blast is the only other instance of a 150+ score in a losing cause. However, the table below lists all lost T20 matches, even though the batters scored 130+ runs.
