

Rohit on a roll

3} The number of batters, incidentally all being Indians, to register 33 or more ODI centuries during their career. Rohit Sharma is now the latest to join this exclusive group, with his unbeaten 121 against Australia in Sydney on 25 October 2025. This century was his ninth against Australia, tying him with Sachin Tendulkar for most ODI centuries against this opponent. Among players with the highest number of centuries against a single opponent, only Virat Kohli has more, with 10 centuries against Sri Lanka. Both tables provide further details.
