Silver Jubilee edition of IndianOil SERVO Masters Golf, Digboi

IndianOil proudly celebrates the 25th edition of the prestigious SERVO Masters Golf Tournament, hosted at IndianOil's iconic Digboi Golf Links.

Set amidst the verdant landscapes of Assam, this 18-hole course is steeped in history, with remnants of an old oil well near the 11th hole paying quiet homage to Digboi's legacy as the birthplace of India's oil industry and home to Asia's oldest refinery.

Each year, over 100 elite golfers from India and abroad gather here, drawn by the course's natural contours and the tournament's stature as a cornerstone of India's golfing calendar. More than a showcase of skill, the SERVO Masters Golf stands as a testament to IndianOil's enduring commitment to youth empowerment, community development, and the spirit of sportsmanship.

Join us in celebrating a legacy where heritage fuels performance - and performance meets perfection. Only at Digboi.
