

## Bihar Sports University: A Landmark Initiative

A major milestone in Bihar's sporting journey is the establishment of Bihar Sports University, now recognized by the UGC under Section 2(f) of the UGC Act, 1956. This university which is part of the International Sports Complex at Rajgir is set to revolutionize sports education and research in India.

## Academic Programs & Career Opportunities

Starting from the 2025-26 academic year, Bihar Sports University will offer:

Undergraduate and postgraduate degrees in physical education, sports sciences, and sports coaching.

Diploma and certification programs to train future coaches, analysts, and sports scientists. Scholarships for students from rural and economically weaker backgrounds.

This initiative ensures that Bihar's youth can build careers in sports beyond just being athletes—creating a pipeline of future coaches, physiotherapists, and administrators not just for the state, but for the entire country. By fostering local talent and expertise, Bihar is taking a significant step towards self-sufficiency in sports development, reducing its reliance on outsourced professionals such as qualified coaches, sports scientists, and other key personnel essential to a thriving sports ecosystem. Moving forward, this effort will not only enhance the state's sporting infrastructure but also contribute to the nation's overall growth in sports excellence.

## Government Support: A Lifeline for Athletes

# 71

Athletes appointed in Government jobs under **Medal Lao, Naukri Pao** scheme

Recognizing the financial challenges many athletes face, the Bihar government has rolled out game-changing policies:

- **"Medal Lao, Naukri Pao" (Win a Medal, Get a Job) Scheme - 71 athletes have already secured government jobs through this initiative. Ensures financial stability and motivates young athletes to pursue sports as a career.**
- **Sports Scholarships: Fuelling Future Champions - Emerging Athletes: ₹3 lakh per player per year. Elite Athletes - Up to ₹20 lakh annually for top performers at the national and international levels. Grassroots level Sports Scholarships - ₹5 lakh per athlete, benefiting over 123 sportspersons in the state.**

This structured support system removes financial barriers, allowing athletes to focus solely on training and competition.

## Expanding Sports Infrastructure Across Bihar

Bihar is making massive investments in sports infrastructure at the grassroots level. Our flagship program is ploughing the fields today through MGNREGA to reap Olympians of tomorrow, developing the field of play in every block. The rest of Bihar's sports infrastructure plans are listed below.

- **Khel Bhawan & Gymnasiums in Every District: 25 already completed.**
- **International Standard Indoor Sports complexes in all divisional headquarters**
- **Khel Clubs to promote community participation in sports.**
- **Sports city in 100 acres at Punpun near Patna.**

## Bihar's Global Sporting Events: Hosting the Best

Bihar has successfully positioned itself as a prime destination for major sporting events.
