

The Road Ahead: Bihar's Vision for 2047

By 2047, Bihar aims to be India's leading sports state, producing Olympic champions, hosting international events, and setting new standards for sports governance.

The future of sports in Bihar is bright, with unwavering government support, a surge in young talent, and a growing culture of excellence. With every investment in infrastructure, training, and policy-making, Bihar is carving a path toward sporting greatness—one medal at a time. Bihar's sporting journey is just beginning, but its ambitions are sky-high. With sustained efforts, the state will continue to produce world-class athletes who will make India proud on the global stage. The best is yet to come!
