BCCI considering hosting 2025-27 WTC final in India

1 Reports indicate that **discussions on the matter** took place during the ICC Chief Executives' Committee meeting in Zimbabwe recently.

The BCCI is considering hosting the World Test Championship (WTC) final of the 2025–2027 cycle in India. England has hosted both WTC title clashes to date – in 2021 and 2023 – at the Umla Bowl and

the Oval, respectively. The upcoming final between Australia and South Africa is set to be held at Lord's. Reports indicate that discussions on the matter took place during the ICC Chief

Executives' Committee meeting in Zimbabwe last month, where the BCCI was represented by IPL chairman Arun Dhumal. A formal proposal is expected at a later date.
