## Goalscorers for PSG over two seasons

## An old-school Inter Milan

The Italian term 'Catenaccio' — meaning 'door-bolt' — refers to a tactical system built on defensive rigidity and swift counterattacks. Inter's history with this approach, shaped by managers like Helenio Herrera and Alfredo Foni, remains relevant today.

Simone Inzaghi has drawn from this tradition to craft a resilient squad on a modest budget. He is now the second Inter manager after Herrera (four straight between 1963-64 and 1966-67) to reach the
