

2 } The number of occasions a side has successfully chased targets of 200-plus without losing any wicket in T20 cricket. Gujarat Titans' recent victory without losing any wicket while chasing Delhi Capitals' 199/3 in Delhi is the recent instance in T20 and the first such occasion in IPL cricket. Only once before did this occur in T20 cricket when Pakistan (203/0) successfully chased England's 199/5 in Karachi in September 2022. The tables below provide all the instances in IPL and T20 cricket where sides have chased big targets without losing a wicket.
