**T**he 2025 edition of Valorant Challengers South Asia Split 2 Finals saw Revenant Esports win the crown in style, thrashing Reckoning Esports 3-0 in the best-of-five grand finals in Mumbai last week.

The winner walked away with a prize money of ₹12.15 lakh and 105 Challenger Points, cementing its spot as South Asia's best Valorant team, 25 clear of second-placed Velocity Gaming.

The tournament began with Revenant getting the better of Velocity Gaming in a close upper bracket match that ultimately swung in the former's favour in overtime. While Velocity Gaming retaliated strongly on the second map, it was Revenant which remained in control throughout the clash, putting the competition to bed on Sunday.

The two-day LAN event, organised by Nodwin Gaming, also coincided with Valorant's five-year anniversary.

## GURASHISH FINISHES SIXTH IN BRICS ESPORTS CHAMPIONSHIP

India failed to match its historic finish at the BRICS Esports Championship from last year, with Gurashish 'Soul' Singh finishing sixth as the best player from his country, taking home INR 1.1 lakh.

At the 2024 edition, Wasfi 'YoshiKiller' Bilal from India had won silver while Khorwal had finished fourth.

But with the competition expanding from just four countries to 22, Gurasish's grit earned him a spot in the final eight after beating players like BIG PA from Cuba and Gazhilla from Indonesia. However, he finished second-best against Kazakhstan's Leonsluc. Meanwhile, Khorwal reached only up to Group Stage 3.

### BRICS Championship winners:

1. XCC (Weibo Gaming, China) – USD 19,434
2. KaizokuLars (Turkey) second – USD 11,013
3. Strog (Russia) – USD 6,478
