Yorkers at death in IPL since 2018

SPORTSPICS / IPL

Vaibhav not dropped Shreyas Iyer off Russell. What explains the resurgence? It's hard to pin down, but reverse swing — possibly aided by the discreet use of saliva — might be a factor. Pathirana has bowled 14 reverse-swinging yorkers this season — the most by any bowler — yielding one wicket. Starc, surprisingly, has

delivered only three reverse-swinging yorkers so far, despite his reputation.

Whatever the reason, bowlers won't mind the help.

In a tournament often skewed in favour of batters — especially since the introduction of the Impact Player rule — the yorker's comeback is a welcome leveller.

« Avesh Khan's 24 yorkers in 10 games have cost just 19 runs for LSG »
