

Jadeja's unique distinction

1} Number of players to do the all-rounder's double of 3000 runs and 100 wickets in IPL history. Ravindra Jadeja achieved this on 28 March 2025 while playing for CSK against RCB in Chennai, becoming the only one to do so. Of the 27 players who made 3000-plus runs in the IPL, only two have claimed fifty wickets (Shane Watson 3874+92 and Kieron Pollard 3412+69). Among the 25 players with over 100 wickets in IPL, Jadeja and Andre Russell are the only ones with 2000+ runs, with the West Indian, (119 wickets), still six short of 2500 runs. However, as listed below, five players have the distinction of scoring 1500-plus runs and claiming 100-plus wickets in their IPL careers.

76} The number of runs conceded by Jofra Archer in his four overs for Rajasthan Royals in the IPL match against Sunrisers Hyderabad on 23 March 2025. This is now the most expensive four-over spell in IPL history. Last season, Gujarat Titans' Mohit Sharma was taken for 73 runs by the Delhi Capitals batters in Delhi on 24 April 2024. Incidentally, Archer's spell is the second-most expensive on Indian soil after Roshan Kumar's 2/81 in his four overs for Sikkim against Baroda in Indore on 5 December 2024.

4} The number of occasions Sunrisers Hyderabad (SRH) has crossed totals of 250+ in T20 cricket, when it amassed 286/6 (the second highest total in IPL cricket) against Rajasthan Royals (RR) in Hyderabad on 23 March 2025. SRH now has the maximum 250-plus totals in T20 cricket. Team India and English county Surrey have done it on three occasions. Interestingly, all of SRH's efforts have come within a year. Also, SRH now appears in four of the top five and top three IPL totals. For the record, Delhi Capitals, Punjab Kings and Mumbai Indians have the dubious honour of conceding 250 totals on two occasions in IPL cricket.
