

## AUSTRALIA

- Best death bowling figures among teams at the World Cup
- Top-heavy batting unit with excellent numbers in the PowerPlay
- Lacking in the spin bowling department, third-worst economy rate among all teams for tweakers

## SCOTLAND

- Short of preparation ahead of the sudden World Cup berth, haven't played a T20I since the European Qualifier in July 2025
- Batting strike rate at the death is a clear concern, the worst among all participating teams
- Good economy rate at the death, fourth-best among participants
