

Golden opportunity: With compound archery added for Los Angeles 2028, Jyothi Surekha Vennam's 2025 World Championship silver in the mixed team event in Gwangju has propelled India's Olympic medal hopes. GETTYIMAGES

Promising gains, blind spots

In the first year of LA 2028 Olympic cycle, shooters performed best with eight medals in Olympic disciplines at the World Championships. But other sports seem to be on **shakier ground.**
