

```
<p>Course Title : {{ course_object.title|upper }}  
</p>  
<p>Level : {{ course_object.get_level_display }}  
</p>
```

Go to localhost:8000/employee-learning/course-detail/3/. You can confirm that the browser still shows the same results.

For the *DetailView* in the Django official documentation, check this link [Django documentation reference: DetailView](#).
