

```
$ python3 --version
```

Command Line - RESPONSE

```
Python 3.11.2
```

For Windows

Download the exe file

This PC > Downloads			
Name	Date modified	Type	Size
▼ Today (1)			
python-3.12.0-amd64.exe	11/18/2023 9:28 PM	Application	25,887 KB

Install Python

Make sure you check “**Add python.exe to PATH**”. If you don’t check this, your command line may not recognize that Python is installed.
