

A large pink pig is shown in profile, facing right. It has a long snout and large ears. Three small piglets are positioned around it: two are near its front legs on the left, and one is further to the right, facing the large pig. The background is a solid light blue with a white wavy shape at the top left.

They are very tiny.

I am careful not to step on them.

Soon they will grow big and
strong just like me.
