» This takes me back to when I was associated with a lot of great cricketers – Polly Umrigar, Sanjay Manjrekar, Sunil Gavaskar, Sachin Tendulkar, Kapil Dev, Nawab of Pataudi... When we selected the 1983 World Cup team, the selectors thought of players who could contribute more to the team. That is why we selected more all-rounders. They contribute much more to the team than specialists.” – **Borde**
