Thank you, everyone. It is really cool to be here. Growing up, we've all read Sportstar, and to be awarded by them is a huge deal for us. We are in the august company of many elite athletes, and that is a great honour for us. We would like to thank AFI and SAI for their support. Keep us in your prayers so that we can bring laurels to our countries in the Olympic year." — **Nihal Joel William**, part of the 4x400m team
