» "My gratitude to The Hindu Group and this eminent jury of distinguished sportspersons for recognising the efforts of the Board towards the promotion of sports in a place like Jammu & Kashmir. We've come a long way since 2016. We now have state-of-the-art infrastructure, training, and even residential facilities for our athletes. I am proud that one of our athletes, Sheetal Devi, is here receiving an award, and three of our archers will be representing the country at the Paris Olympics. We need your blessings this year." — **Anshul Garg**
