

Olympics gold medallist and Paris 2024 hopeful Meilutyte undergoes foot surgery

Lithuania's 2012 Olympics breaststroke gold medallist and Paris 2024 hopeful Ruta Meilutyte has had foot surgery and is expected to resume training in early April, her country's swimming federation said.

Meilutyte is the world record holder and reigning world champion in 50m (which is not held at the Olympics), and won gold in 100m at London 2012 as a 15-year-old.

She was 100m world champion in 2023 but failed to reach the semifinals at last month's world championships in Doha.

The federation said on its website that Meilutyte had undergone surgery in Kaunas after returning from Qatar.

LAVER CUP IN SAN FRANCISCO

The 2025 edition of the Laver Cup will be held in San Francisco at the home of the National Basketball Association's Golden State Warriors, tournament organisers said. It marks the first time the three-day team tournament, pitting six top men's players from Europe against six of their counterparts from the rest of the world, will be held on the U.S. West Coast.
