

MADNESS ON THE MARINA

Gujarat Giants brings a **touch of innovation** to its PKL training regimen in Chennai, opting for endurance sessions and horse rides at the Marina Beach.

With the athletics track at the Jawaharlal Nehru Stadium getting a long overdue makeover and a hectic travel schedule that saw the competitors change venues every week, PKL sides had to get creative when planning team training sessions.

Gujarat Giants decided to soak in some local flavour, holding a few endurance and running sessions at the iconic Marina Beach. One would expect fitness and skill sessions on sand to be the most challenging part of the day, but not for the Giants. The team struggled to train in peace in the middle of one of the busiest spots in the city. Onlookers kept coming up to them, some for photographs, others running alongside them.

"We love our fans and we are where we are because of those who watch and support us. However, sometimes, we just want to train," Giants captain and Iranian kabaddi legend Fazel Atrachali said with a chuckle.

It wasn't all work and no play for the side. The Iranians got to ride horses at the beach, while the side also got some time to cool off with a swim in the sea.
