

Young wizard: Indian teenager D. Gukesh shocked the world of chess when he became the youngest world champion at the age of just 18. FIDE/MARIA EMELIANOVA

Gukesh and India dominate chess world in a golden year of success

In 2024, 18-year-old Gukesh became the youngest World Chess Champion, while India's chess stars, including Koneru Humpy, R. Vaishali, and Arjun Erigaisi, dominated global competitions and claimed Olympiad gold.
