

EMPLOYMENT UNDER 3% SPORTS QUOTA

The Government of Tamil Nadu has made remarkable strides in establishing sports as a promising and fulfilling career path for sportspersons. In a groundbreaking initiative, the Government has set a precedent by offering employment opportunities to 84 meritorious sportspersons across various government departments and public sector undertakings under the 3% Sports Quota. This initiative not only acknowledges the exceptional talent and commitment of our athletes but also aims to inspire the younger generation to consider sports as a viable career option. By integrating sports into the employment framework, the Tamil Nadu Government demonstrates its dedication to fostering athletic talent and creating a supportive environment in which athletes can thrive both on and off the field.

HIGH CASH INCENTIVES

The Government of Tamil Nadu has granted high cash incentives amounting to Rs. 144 crores to a record 4,352 victorious athletes. This unprecedented financial support serves as a testament to the state's dedication to both nurturing sports and recognising the hard work and perseverance of its athletes. With this initiative, the government aims to not only provide immediate rewards for their success but also to inspire future generations to pursue excellence in sports. By investing in the athletic fraternity, Tamil Nadu is actively working to create a more robust sports culture, ensuring that its sportspersons have the resources and encouragement they need to thrive on both national and international stages. This initiative reflects a broader vision of securing a brighter future for athletes and contributing to the overall development of sports in the state. From dominating national championships to making a mark on the global stage, the athletes from Tamil Nadu have showcased unparalleled dedication, talent, and resilience. As the state looks ahead, it is poised to nurture even greater talent and continue its legacy of sporting excellence.
