SPORTING MOMENT OF THE YEAR

Suryakumar Yadav's catch in the T20 World Cup final

With 16 runs needed off the last over of the T20 World Cup final and the dangerous David Miller on strike, it was anyone's game. That is, until Suryakumar Yadav pulled off a stunning catch at long-off to send Miller back to the pavilion and the Indian fans into raptures. Suryakumar caught the ball inside the rope, and just as he was teetering over the boundary, he threw the ball into the air and came back inside the field of play in the nick of time to complete the catch, effectively sealing the title for the Men in Blue.
