CAPTAIN: Ruturaj Gaikwad

Lack of early intent

8.55

Chennai Super Kings' run rate in the PowerPlay over the last three IPL seasons, the third-lowest in the league, ahead of only Gujarat Titans and Lucknow Super Giants. Rachin Ravindra is the most likely opening partner for captain Ruturaj Gaikwad in IPL 2025. While Ravindra has a T20 strike rate of 140.46, Gaikwad's is a comparatively modest 131.90. This lack of early intent often places additional pressure on the middle order to accelerate the innings.
