

Spin economy rate in middle overs

7.36

KKR has retained two match-winning spinners in Sunil Narine and Varun Chakaravathy, further strengthening the department by adding Moeen Ali. The trio aims to apply a spin choke in the middle overs on conducive surfaces. Collectively, they have picked up 55 wickets in 43 innings during this phase.

Economy rate in death overs

11.18

KKR has struggled in the last four overs over the past two seasons, lacking a reliable death bowler. Harshit Rana, Andre Russell, and Anrich Nortje have been expensive, conceding 88 boundaries in 34 matches. However, they have also been regular wicket-takers, striking every 14 balls at an average of 25.80 at the death.
