Marauding ways

13.46

Abhishek Sharma and Travis Head's opening partnership run rate. This is the highest run rate for any partnership with at least 350 runs in all T20s since the start of 2024. The SRH duo amassed 691 runs in IPL 2024 at an average of 49.35. Sunrisers Hyderabad will be relying on Head and Abhishek to continue their marauding ways in IPL 2025 as it seeks to reclaim the title it last won in 2016.

Dominating the spinners

163.16

Heinrich Klaasen has maintained a strike rate of 163.16 against spinners in T20s since the start of 2022, second only to Australia's Glenn Maxwell among batters with at least 1,000 runs against spin. He also boasts an impressive average of 41.52 — the fifth-best in this category. Klaasen's ability to dominate spin will be key to Sunrisers Hyderabad's success in the middle overs. He scored 224 runs at a strike rate of 182.11 against spinners last IPL and 264 runs at 191.30 in 2023.
