Economical PowerPlay bowlers

7.96

With Bhuvneshwar Kumar, Krunal Pandya, and Josh Hazlewood in its ranks, RCB boasts three of the most economical PowerPlay bowlers. The trio maintains a dot-ball percentage of 46.6% in the first six overs. While the two pacers have collectively taken 19 wickets in this phase, Krunal has only managed two. However, his boundary percentage is lower than the quicks – 20.83% compared to their 22.07%.

Middle-order strike rate in death overs

188.45

RCB's middle order promises fireworks in the death overs this season. Rajat Patidar, Liam Livingstone, Jitesh Sharma, and Tim David all strike at over 11.30 runs per over between overs 16 and 20. Across their last 42 innings, the quartet has struck 105 boundaries at the death, underlining their finishing prowess.
