BEST FINISH: RUNNER-UP
2020

PowerPlay impact

168.04

Since 2023, Jake Fraser-McGurk has recorded the third-best strike rate in the PowerPlay across all T20s (168.04), trailing only Travis Head (184.8) and Abhishek Sharma (181.47). The 21-year-old made a sensational IPL debut for Delhi Capitals in 2024, amassing 330 runs at an explosive strike rate of 234.04. His remarkable performances meant he was retained ahead of the auction. As an opener, he will be expected to provide similarly aggressive starts, particularly on the quick-scoring surfaces of Delhi and Visakhapatnam.
