

## Top-order strike rate

150.62

Since IPL 2023, Rohit Sharma (142.15), Tilak Varma (141.02), and Suryakumar Yadav (168.04) have combined for a strike rate of 150.62 in overs 1-14, scoring at 9.04 runs per over. This season, Mumbai Indians' likely top four — Rohit, Ryan Rickelton, Tilak, and Suryakumar — promise an aggressive start. Across all T20s since 2023, they've maintained a scoring rate of 8.88 per six balls in this phase, with Rohit (143.62), Rickelton (150.62), Tilak (142.6), and Suryakumar (155.88) forming a solid foundation for the finishers to exploit.

## High-scoring ground

9.84

In the last two IPL seasons, Wankhede Stadium has been the second-fastest scoring venue in terms of runs per over, behind only Kolkata's Eden Gardens (9.98). The red soil pitch has encouraged high-scoring encounters, with teams surpassing 200 runs on 12 occasions out of 28 since 2023. The highest total recorded in this period is 234 for five (MI vs DC in 2024). Due to the dew factor, teams that won the toss opted to bowl first in 13 out of 14 matches.
