

A LONG-AWAITED RETURN, AND A TIMELY DEBUT

K. MURALI KUMAR

While the men's competition is set to make a **comeback after 2017**, the women are set to feature in the league for the very first time.

The murmurs surrounding its return grew louder with the men's team bagging two successive Olympic bronze medals. Five months since the podium finish in Paris, the revamped Hockey India League (HIL) will finally see the light of day.

The men's competition is set to make a comeback, the last season having been played in 2017, while the women are set to feature in the franchise league for the very first time. **Nevertheless, it is a much-needed shot in the arm for the sport in the country.**

Before the first iteration of the competition in 2013, India was
